# Frequently Asked Questions

Q. As a sponsor, am I responsible for decorating my tree?

A. There are several options for decorating your tree:

1. You may decorate your tree with items you purchase to represent your business or any theme you choose.
2. You may hire someone to decorate your tree to your theme or liking. Your decorator is responsible for providing all ornaments and decorations.
3. You may choose to have a fully decorated tree assigned to you.

Q. If I don't decorate my own tree, how do I know which one is mine?

A. All trees will include a tree tag, which highlights the sponsor's name, as well as the name of the decorator.

Q. What happens to my tree after the event?

A. There are two options:

1. You may donate the tree to the Boys & Girls Club. The Club displays the trees throughout the building, or may donate trees to families we serve.
2. You may have the tree delivered to the location of your choice (local addresses only). Deliveries will be scheduled for the second week of December.

Q. What happens to my tree after the holidays?

A. There are two options:

1. You may keep your tree.
2. You may donate your tree back to the Club. Pick-ups will be scheduled for the first week of January. Decorations belong to the sponsor; therefore, trees must be undecorated prior to tree pick-up. Only undecorated trees will be picked up.
